

CUSTOM HOME THEATRE

- » Consultation
- » Installation
- » Calibration

We specialize in transforming a room into a functional dedicated home theatre. Precisely designed video, multi channel audio, architectural lighting and acoustical treatments come together to transform an ordinary space into an extraordinary experience. We only offer the world's finest brands to deliver a sensational experience beyond the cinema.

MULTI-ROOM AUDIO

- » Automated organization of your entire music library
- » Stream music collections directly from your phone or tablet
- » Independent Zone control allows you to play different songs in different areas

Enjoy your music wired or wirelessly in multiple rooms of home or commercial space. Let people in different rooms listen to different tunes, or have your favourite music accompany you around the house.

PROFESSIONAL AUDIO

- » Restaurant
- » Café
- » Pub / Bar
- » Retail Shop or Mall

No matter how large the space or how varied the application or how challenging the acoustics of your space, we have the skills and technology to deliver quality sound. Whether it is an indoor solution or an outdoors or a portable solution that you are looking for, we have the answers.

HOME AUTOMATION

- » Entertainment
- » Smart Lighting
- » Comfort & Convenience
- » Safety & Security

Imagine. One touch on your tablet and the movie starts, your shades close and the surround sound kicks in at the perfect volume. When the sun goes down, your porch light turns on. And the whole house locks at 11 p.m. automatically.

COMMERCIAL AUTOMATION

- » Restaurant & Bar
- » Boardroom
- » Hotel
- » Fitness & Spa

Rely on a trusted solution to control lights, temperature, audio/video, teleconferencing, security cameras, and HVAC systems to make your business more effective and drive efficiency, automatically. Even the smallest automation commercial projects deliver a big bottom-line impact.
